## MANAGE YOUR REGISTRATION

### HOW DO I RESEND MY CONFIRMATION EMAIL?

Your booking reference can be found in your confirmation email or on your Let's Do This profile. If you're having trouble, get in touch.

### DO YOU OFFER REFUNDS, TRANSFERS OR DEFERRALS?

No refunds are permitted. However, you may transfer your race entry to another non-registered individual or defer your entry to the following year's race (fee associated with both options).

### HOW DO I TRANSFER MY BIB TO ANOTHER NON-REGISTERED INDIVIDUAL?

You may officially transfer your race entry to another non-registered runner. The last day for online changes is Thursday, November 19 (11:59 PM EST). Before completing the transfer process, please note:

- You will not be refunded/reimbursed for your original registration. The currently registered runner will be charged $10 to complete the transfer. Any transfer compensation must be arranged between you and the transfer recipient. The race organizers are not responsible for the terms of payment between parties in the transfer process and we do not condone the resale of registrations at elevated prices.

**Race Entry Transfer Steps:**

- Registrants will not be refunded/reimbursed for the original registration. Any transfer compensation must be arranged between the current registrant and the transfer recipient. We suggest transfer recipients request proof of the official race entry of the current registrant.
- Race organizers are not responsible for the terms of payment between parties in the transfer process and do not condone the resale of registrations at elevated prices.
- This policy is strictly available for race entry only; add-on purchases will not be refunded or transferred.
- There are no transfer fee refunds under any circumstances and transfers are not guaranteed.
- The current registrant will initiate the transfer request through their Let's Do This account with the provision of the new recipient's name and email address.
- The new recipient will receive an email to complete the transfer process initiated by the current registrant's transfer request.
- A new bib will be assigned to the race entry recipient only after the new registration and transfer fee is complete online through Let's Do This.

Any participant who transfers their race entry or race bib without following the above process will be removed from official race results and disqualified from participating in any future Life Time event.

**HOW DO I DEFER MY ENTRY TO THE FOLLOWING YEAR?**

Deferrals allow a participant unable to attend this year's event to defer their registration to the following year ONLY.

The deferral is applied only to the event in question – in this case, the Life Time Turkey Trot Miami 5K/10K & Kids Race presented by Baptist Health. Deferrals can only be applied to the same event the following year and cannot be carried over multiple years.

Entry fees will not be refunded and a new registration including 50% entry fees must be completed for the following year's race. Your registration does NOT automatically roll over to the following year – you must officially register.

Deferral requests must be completed through your Let's Do This account. For more information on how to complete your deferral, visit the 'Defer Your Entry' page here.
